

2010 EDI and 2010 KPS Data Analysis Request Form

The YMCA Ontario Early Years Data Analysis Coordinator is available to conduct data analysis for agencies and organizations in the Waterloo Region community. The purpose is to provide local agencies and organizations with data that can be used in research or reports, and to inform decision-making or advocacy work.

Please complete this form and email or fax to Christine Holliday, Data Analysis Coordinator (cholliday@ckwymca.ca or 519-741-9641). You will be contacted as soon as possible prior to analysis.

Name: _____

Organization/Department: _____

Address: _____

Phone: _____ ext. _____

Email: _____

Date Data Required by: _____

Number of professionals served by this data (i.e. how many professionals will use this data in your group/project?): _____

Level of Geography (check all that apply): Neighbourhood Region City/Township

Purpose of Data Analysis Request:

Please give a brief description of how you intend to use the analyzed data (i.e. the type of report you are writing, the message you want to relay, the main question(s) you wish to answer, or problem you wish to solve) and indicate your intended audience/who will have access to the data. This will help the Data Analysis Coordinator understand the use of the data and determine the best ways to present your data.
